Subject: 38 Wood Pond Road

I have reviewed the plans titled, "Wetland Regulated Activities for the Norman/Craco Residence 38 Wood Pond Road West Hartford, Connecticut, Date: Sept. 20, 2017" received 12/1/2017, the letter from David Whitney to Charles Guarino dated 12/1/2017 showing the balanced cut and fill in the flood plain and the schematic standpipe detail dated 12/4/2017. I recommend the standpipe detail should be shown on the plan. The applicant has satisfactorily addressed my engineering comments.
